Definitions

The **Primary Beneficiary** is the person designated to receive the proceeds of a life insurance policy following the death of the insured.

The **Contingent Beneficiary** is the person who will receive the death benefit if the primary beneficiary should die before the person whose life is insured.

The **Percentage of Allocation** is the percentage amount of the term life insurance death benefit that an applicant designates to his/her beneficiary(ies). For example, a 50% allocation to a beneficiary would leave half of the death benefit proceeds to that individual.

4. Citizenship Information

YES NO

Are all applicants to be covered by this policy citizens of the USA? If NO, please complete the following:

First Name(s)	How long has the individual(s) legally resided in the U.S.A.?

5. HIPAA Qualification Information

HIPAA is the Health Insurance Portability and Accountability Act. HIPAA enacted reforms in both the group and individual health insurance markets, in part, to help many individuals maintain insurance coverage if they lose or leave their jobs.

A. YES NO

Would you like to enroll any individual on this application (including yourself) without underwriting?

Please note that any person not underwritten will receive our most expensive premium.

If NO, then skip to Section 6 and continue completing the application. If YES, please read section B below to determine if you are an *Eligible Individual* as defined by HIPAA. To qualify for this option, you (and/or the person(s) you select) must meet special criteria described below in this section.

B. In this section, when we say *Eligible Individual*, we mean someone who meets **ALL of the requirements (1 through 7)** listed below to qualify for special coverage availability privileges under the Health Insurance Portability and Accountability Act (HIPAA). **You may still apply for our coverage by answering the health questions and completing the remaining sections in this application, regardless of whether you qualify as a HIPAA "Eligible Individual."**

HIPAA Requirements: A *HIPAA Eligible Individual* is defined as someone who:

1. has had 18 months of prior creditable coverage (including group health plans, qualifying health insurance coverage, Medicare, Medicaid, CHAMPUS/TRICARE, or other publicly sponsored program)*;
2. was most recently covered under an employer group health plan, governmental plan or church plan*;
3. has elected and exhausted COBRA or similar state continuation of benefits coverage, if it was available;
4. is not eligible for any other group coverage, Medicare, or Medicaid;
5. does not have other health insurance;
6. has had no more than a 63 day break in coverage, unless waiting for a period of time to expire before group coverage was effective; and
7. has not had previous coverage terminated for fraud or non-payment of premium.

* *If the most recent creditable coverage is individual health insurance, and the insurer offering it exits the individual health insurance market and cancels the policyholder's coverage, then only 12 months, and not 18 months, of prior creditable coverage is required.*

If you meet all seven HIPAA requirements listed above, you are a *HIPAA Eligible Individual*, which means you are guaranteed coverage at our highest premium without having to answer health questions. Please list the first names of all qualifying *HIPAA Eligible Individuals* who wish to waive underwriting and be enrolled at our most expensive premium. If all persons to be covered are waiving medical underwriting, please skip to Section 9.

First Name(s) of HIPAA Eligible Individual(s)

If you do NOT meet all the HIPAA requirements listed above, please proceed to Section 6 and continue completing the application.

IMPORTANT: Please attach copies of any certification or other documentation of prior creditable coverage furnished by previous carriers or employers, if available. This will help us process your application.

9. Certification and Authorization

This section must be signed and dated to avoid delays in processing.

A. Certification

I and my agent (if applicable) certify that I have read or have had read to me this completed application. I understand that any answer or statement made within this application that is untrue and is material to the risk assumed by Anthem Blue Cross and Blue Shield and Anthem Life (if applicable) may prevent the recovery of benefits under the policy for that individual or individuals to be covered. Such answer or statement may also result in the termination or voiding of the policy back to its start date for the individual or individuals for whom the untrue and material information was provided.

I understand that:

1. no coverage will be in force until my application is approved by Anthem Blue Cross and Blue Shield and that the start date will be the date assigned by Anthem Blue Cross and Blue Shield;
2. the Anthem Blue Cross and Blue Shield policy does not provide coverage for pre-existing health conditions for the first 12 months after the policy start date. I understand that if I have been covered by eligible health insurance before the Anthem Blue Cross and Blue Shield policy, the 12 month waiting period may not apply to me, or the waiting period may be shorter than the entire 12 months;
3. if the Maternity Coverage was chosen, conception must occur at least six months after the Maternity Coverage start date. If you are an "Eligible Individual," as outlined in Section 5 of this application, and conception had occurred prior to the start date, the six month waiting period is waived;
4. my enclosed premium will be applied to coverage for approved person(s); the premium will be refunded if no persons are approved for the coverage selected and no other coverage is accepted;
5. if any person for whom coverage is sought incurs a change in medical condition during the time period between the application date and the date Anthem Blue Cross and Blue Shield underwriting approves the application, I must notify Anthem Blue Cross and Blue Shield in writing of such change. I understand that failure to do so can result in the Anthem Blue Cross and Blue Shield and Anthem Life (if applicable) policies being revoked and no payment or coverage for any claim incurred; and

9a. Certification (continued)

- the Anthem Blue Cross and Blue Shield policy, if issued, shall not be used as an employer-provided health care benefit plan. I certify that no employer of any person covered under the Anthem Blue Cross and Blue Shield policy may pay any premium for coverage, directly or indirectly, including through wage adjustment. I understand that "employer" does not include a trade or business wholly owned by an individual, or individual and spouse/domestic partner, that has no other employees or that does not offer health benefits to any other employees. Also as it pertains to this provision, a church may purchase an individual health policy if only purchasing it for one employee. Premiums not paid in accordance with this provision shall result in the non-renewal or discontinuance of the Anthem Blue Cross and Blue Shield policy issued from this application.

Notice to Applicant Regarding Replacement of Accident and Sickness Insurance.

According to your application, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by Anthem Blue Cross and Blue Shield. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

- Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
- You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interests to make sure you understand all the relevant factors involved in replacing your present coverage.
- If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.

10. For KeyCare Applicants Only

NOTICE: THIS IS A LIMITED BENEFIT DISCLOSURE FORM. PLEASE SIGN AND DATE BELOW. THE POLICY YOU ARE APPLYING FOR IN THIS APPLICATION DOES NOT MEET THE MINIMUM STANDARDS REQUIRED BY THE BUREAU OF INSURANCE, VIRGINIA STATE CORPORATION COMMISSION, FOR INDIVIDUAL ACCIDENT AND SICKNESS POLICIES.

Minimum Standards were established by the Bureau to insure the availability of health insurance contracts providing a minimum of basic benefits needed for health care. This policy does not meet the Virginia minimum standards for the following reasons:

- the majority of providers are in-network, however a person covered by the attached policy has the option to choose an **out-of-network** provider and still have coverage. Depending on the policy you choose, the responsibility for the cost of covered services may exceed the 25% maximum set by regulation adopted by the Virginia State Corporation Commission; and
- in certain circumstances, if your policy requires a copayment for provider visits, that copayment may be a greater percentage than the 25% mentioned above. In other circumstances, it may be less than 25%.

All other aspects of this policy equal or exceed the minimum requirements of the Bureau of Insurance, State Corporation Commission, for an individual major medical expense policy.

I have read this limited benefit disclosure provision and realize that this policy does not meet minimum standards required by Virginia law and that it can only be sold as a LIMITED BENEFIT POLICY.

Important Notice: Replacement of Life Insurance or Annuities

You are contemplating the purchase of our life insurance policy. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A finance purchase is a replacement.

You should carefully consider whether a replacement is in your best interest. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacement before you make your purchase decision and ask that you **answer the following questions** and consider the questions on the following page.

YES NO

- Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to insurer, or otherwise terminating your existing policy or contract?
- Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract?

If you answered "YES" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

Insurer Name	Contract or Policy Number	Insured or Annuitant	Replaced or Financing	
			REPLACED <input type="checkbox"/>	FINANCING <input type="checkbox"/>
			REPLACED <input type="checkbox"/>	FINANCING <input type="checkbox"/>
			REPLACED <input type="checkbox"/>	FINANCING <input type="checkbox"/>

Please check box if an additional sheet(s) of paper has been completed for this chart.

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

The existing policy or contract is being replaced because: _____

 _____ / /
Signature and Printed Name of Agent Date (mm/dd/yyyy)

I do not want this notice read aloud to me _____ (Primary applicant must initial if not wanting this notice read aloud.)

Questions to Consider

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether the replacement or financing of your purchase makes sense:

Premiums:

- Are they affordable?
- Could they change?
- You're older – are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy?
- How long will you have to pay premiums on the old policy?

Policy Values:

- The proposed new policy has no cash values and pays no dividends – does your existing policy or contract?
- Acquisition costs for the old policy may have been paid, and you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

Insurability:

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

If you are keeping the old policy as well as the new policy:

- How are premiums for both policies being paid?
- How will the premium on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

If you are surrendering an annuity or interest sensitive life product:

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared contract charges or other policy expenses?

Other issues to consider for all transactions:

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable “grandfathered” treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

Express Payment Authorization and Credit Card Payment

Take advantage of our easy payment methods!

You can choose to make your **initial premium payment** by check (which will be cashed upon receipt but does not imply approval of your application), money order, or credit card. If choosing to pay by credit card, simply complete all of the credit card payment information in this section of the application.

For **future payments**, consider the convenience of our **free Express Payment service!** You'll find the Express Payment authorization form below. Express Payment saves you time, hassles, and the cost of checks and postage. And you can choose to have your premium deducted on the first or fifth day of the month

It's convenient! You can authorize Anthem Blue Cross and Blue Shield to automatically deduct your premium payment from your checking account each month. We will notify you when your Express Payment service is in effect.

I wish to take advantage of the Express Payment bank draft program to pay my Anthem Blue Cross and Blue Shield (Anthem) premiums every month. To do so, I authorize my bank as named above to deduct my Anthem health insurance premium every month directly from my bank account.

The appropriate bank account number and related bank routing number are shown on my enclosed blank, voided check. I understand that I am to pay my premiums directly to Anthem on schedule until my Express Payment bank draft becomes effective. If any premium is owed by me to Anthem when my Express Payment bank draft starts, I authorize my bank to draft both the past due premium along with the current premium. I agree that if my bank does not draft my account and pay my premium, I am responsible for making the correct premium payment to Anthem, no matter what the reason is for my bank's failure to draft and pay. I understand that failure to pay premiums when due can result in the termination of my Anthem health insurance coverage, and I understand my bank is not liable for that loss. This authorization is in effect until I notify Anthem by telephone or in writing delivered to Anthem by mail or by fax.
